

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. ADVERTISEMENTS.

ESTABLISHED 1835.

BY THE USE OF WHICH
DURING THE LAST FORTY YEARS,

MANY

THOUSANDS OF CURES

Have been effected; numbers of which cases
had been pronounced INCURABLE!

The numerous well-authenticated Testimonials
in disorders of the HEAD, CHEST, BOWELS,
LIVER and KIDNEYS; also in RHEU-
MATISM, ULCERS, SORES, also in SKIN
DISEASES, are sufficient to prove the great
value of this most useful Family Medicine, it
being

A DIRECT PURIFIER OF THE BLOOD

and other fluids of the human body.

Many persons have found them of great ser-
vice both in preventing and relieving

SEA SICKNESS;

and in warm climates they are very beneficial in
all BILIOUS COMPLAINTS.

Sold in boxes, price 7½d., 1s. 1½d., and 2s. 9d.,
by G. WHELPTON & SON, 3, Crane Court, Fleet
Street, London, and by all Chemists and Mede-
cine Vendors at home and abroad. Sent free by
post in the United Kingdom for 8, 14, or 33
stamps.

INDICES.

AUTHORS preparing Works for the Press,
are respectfully informed that as no publication
is now considered complete without a full Index
to all the matters treated of, Mr. Samuel Palmer,
whose Index to the Times Newspaper has been
so universally appreciated by the entire English
and Foreign Press, will be happy to arrange with
any gentleman for the preparing of a suitable
analytical Index for the making of their works
complete.

Lord Campbell proposed the passing of an Act
excluding from the benefit of the Law of Copy-
right, all works without an Index.

Address: Mr. Palmer, 75a, Strand.
